About Organizer

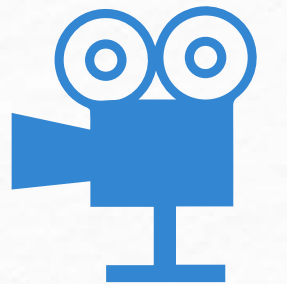

ENMORE BIO

Since its establishment in 2009, Enmore Bio has hosted hundreds of high-end branded exhibitors over the past decade. We have successfully built BIOCHINA, attracting tens of thousands of attendees from China's bio-industry, and launched hundreds of summits, with a total of over 100,000 attendees. We use various methods to facilitate the exchange of information and products and to empower the Chinese bio-industry, such as content marketing, product exhibitions, networking, etc.
